We also have in our possession personal things such as health records, checkbooks ( I think, anyway), and tax returns (I think). These items are not listed on the inventory but we will return.

If you would like me to return these things, I would be happy to do so. Just let me know when and where. I go down 21<sup>st</sup> Street everyday and would be happy to drop the things off at Schwartz's house or Bob's office.

Let me know if you have any questions. I'll be at a conference from 9-3 today, but will be back in the office by 3:15 and can check my message then.

Thanks Judy!

Sincerely,

A handwritten signature in cursive script that reads "Christy Ryan".
